

## Rule Book on Lectures in Seminars Organized by the Serbian Association of Large Animal Practitioners

### Article 1

The Rule book on lectures in seminars organized by the Serbian Association of Large Animal Practitioners is adopted by the Management Board of the Serbian Association of Large Animal Practitioners (hereinafter referred to as: SALAP) at the proposal of the SALAP President with the aim to precisely define the terms of participation in seminars in the capacity of lecturers, general sponsors, and time slot renters at the seminar.

### Article 2

SALAP is a non-governmental, voluntary, non-partisan, and non-profit association of natural and legal persons, incorporated for an indefinite period of time in order to achieve goals in the field of professional and business organization of veterinarians practising, exclusively or partly, veterinary medicine of ungulates, as well as in the field of professional training, research development, and development of different forms of scientific and professional cooperation between veterinarians and other specialists working with the ungulates or having an interest in this field.

### Article 3

SALAP organizes professional seminars aimed at professional education of large animal veterinarians.

### Article 4

In seminars organized by SALAP, the lecturers who provide professional education to large animal veterinarians in the form of theoretical, practical training, or round table discussions may talk only about active substances of preparations at their lectures, workshops and round table discussions, and may not mention commercial trade names of preparations including:

1. antibiotics
2. auxiliary curatives
3. hormones
4. disinfection, disinsectization and deratization agents
5. endo- and ectoparasiticides
6. vaccines
7. coccidiostats
8. rapid diagnostic tests for subclinical forms of metabolic diseases
9. rapid diagnostic tests for subclinical forms of mastitis
10. rapid tests for bacteriological examination of milk, urine, faeces and blood

11. rapid tests for virological examination of milk, urine, faeces, blood
12. animal feed
13. feed additives

#### Article 5

Lecturers in seminars organized by SALAP can be:

1. SALAP members, with the previously obtained approval by the SALAP Management Board
2. Scientists and experts working with cattle, pigs, sheep and goats and who are not SALAP members,

The Management Board of the Serbian Association of Large Animal Practitioners shall approve a lecture and acquaint the lecturer with this Rule book. The lecturer signs a statement on accepting the terms and conditions from the Rule book.

#### Article 6

In seminars organized by SALAP, as a part of the business and technical cooperation, companies can present their activities and products in the capacity of:

1. General Sponsor of the seminar, or
2. Seminar time slot renters (subject to obligatory consent by the General Sponsor)

In seminars, the General Sponsor of the seminar and time slot renters may give a commercial presentation of their companies and products in time slots agreed in the Agreement on Business and Technical Cooperation with SALAP (sponsored lecture).

#### Article 7

In case of a breach of Article 4 of this Rule book, the SALAP Management Board shall submit to the SALAP Assembly a reasoned proposal for excluding the member in breach, or for terminating cooperation with the lecturer who is not SALAP member.

#### Article 8

This Rule book was drafted and came into force as of the date of its signing by the SALAP President.
